

Ground Breaking NEWS

ANNA, TEXAS

Hi Neighbors,

It's been a productive and forward-moving month for the City of Anna. We've taken important steps to plan for the future, including updating our Strategic Plan and publishing our Annual Report —both essential tools that help guide our work and reflect our progress. We also took our efforts on the road, traveling to a neighboring state to actively recruit businesses and promote Anna as a place where opportunity and community meet.

As always, our mission is centered on improving the quality of life for our neighbors. That means continuing to invest in infrastructure, attract thoughtful development, and expand our tax base in a way that supports both economic vitality and long-term sustainability.

We're proud of the momentum we're building and grateful for the partnerships that make this work possible.

Thank you for being part of Anna's continued growth and success.

Joey Grisham
EDC Director

EDC STAFF ATTENDS COLLIN COUNTY GROWTH SUMMIT

On Friday, October 10th, the Anna EDC team had the opportunity to attend the Dallas Business Journal's Collin County Growth Summit, hosted at the impressive Toyota North America Headquarters in Plano.

Collin County continues to shine as one of the fastest-growing regions in the nation – a hotspot for corporate relocations, real estate development, infrastructure investment, and a highly skilled workforce.

The summit featured engaging panel discussions, including:

- **From Farmland to Fortune 500:** How Collin County Became a Development Powerhouse
- **Inside the Engine:** EDC Leaders on Growth, Infrastructure & Opportunity

We were proud to hear from several of our neighboring EDCs, who shared valuable insights on the strategies and collaboration driving success across the region. It was a great opportunity to stay informed, get inspired, and continue shaping Anna's role in the future of Collin County growth!
