The EDC staff, Councilman Carver, our local business owners and the Wyndham Staff

EDC had the pleasure of attending Wyndham Garden's Preview and Pastries event, where guests enjoyed a warm breakfast and an exclusive first look at the new hotel before its official opening. The property showcases a clean, modern design paired with a thoughtful layout that highlights comfort and convenience. Even ahead of opening day, the staff made a standout impression with their professionalism and hospitality. Wyndham Garden's new concept is a welcome addition to the community, and we're excited to see its doors officially open soon.

HAPPENING IN THE NEIGHBORHOOD

PARDON OUR PROGRESS...

We're Improving 4th Street

Starting Monday, Jan. 5, construction will kick off on 4th Street between North Powell Parkway and Riggins Street—and it's all about making downtown better.

The project brings new sidewalks, improved pavement, and upgraded street lighting to brighten the block. At Interurban Street, look for fresh crosswalk striping and four new barrier-free ramps to make east/west travel safer and more accessible for everyone. Work is expected to wrap up by Spring 2026.

Thanks for your patience as we build a smoother, safer 4th Street!
