ANNA, TEXAS

Hello Anna Neighbors,

I am honored to share that I have been selected to serve as the Director of the Anna Economic Development Corporation. Anna is a community that I care deeply about, and I am committed to continuing to support our growth, success, and long-term vision.

This is an exciting time for our city, and I look forward to working alongside our partners, businesses, and residents to accomplish great things together. I want only the very best for Anna and believe the future ahead is filled with opportunity as we continue to elevate our vision and pursue meaningful, forward-thinking development.

What makes Anna truly special is the strength of its relationships and the sense of community that so many have worked hard to build. Thank you to everyone who has played a part in making this not only a great community, but also an exceptional place to work and serve.

It is truly an honor to represent Anna, and I am grateful for the opportunity to be part of its continued progress.

With appreciation and excitement for what's ahead,
Natasha Roach

GROWING ANNA!

Celebrating Small Business Week

From Monday, May 4 through Friday, May 8, we proudly celebrated National Small Business Week—a time to honor our local businesses and recognize their resilience and invaluable contributions to our community.

To show our appreciation, we hosted a networking event celebrating our local entrepreneurs and small business owners. It was our way of thanking them for choosing to locate and grow in Anna.

We're grateful to everyone who attended and helped make the evening such a success. It was a wonderful time of connection, collaboration, and relationship building.

ANNA IN THE NEWS

We are excited to share **ANNA IS RECOGNIZED AMONG NATION'S *Fastest* GROWING CITIES**

Anna has once again earned national recognition for its incredible growth. According to newly released U.S. Census Bureau estimates highlighted by U.S. News & World Report, Anna ranked among the fastest-growing cities in the United States for communities with populations over 20,000.

The recognition reflects the continued momentum happening across our community as more families and businesses choose to call Anna home.

City leadership remains focused on planning thoughtfully for the future while preserving the values and quality of life that our neighbors appreciate most.
